RE: Temporary closure of Kirkwood-Conklin Bridge Road, County Route 20 (CR20)

Facility Manager,

This notice is to inform you that Broome County is commencing a major bridge rehabilitation project on 3 bridges on County Route 20 between Conklin and Kirkwood near Interstate 81 exit 4 (former exit 1). To facilitate this work, the bridges will be closed to all traffic from June 1, 2026 through September 1, 2026.

A signed detour route will be in place during the closure. Inbound and outbound vehicles from your facility are encouraged to use the attached detour route which has been developed in coordination with NYSDOT. A temporary traffic signal will be installed and activated at the intersection NY Route 7 and Powers Road for the duration of the bridge closure.

Daily single lane closures with alternating traffic on CR20 may be utilized by the contractor April 1 through June 1 and after September 1 until project completion.

If you have any questions or concerns regarding this scheduled road closure, please feel free to contact me, by calling the Broome County Department of Public Works – Engineering Division at (607) 778-2457, or by emailing me at Brian.Tyler@BroomeCountyNY.gov.

Sincerely,

Brian R. Tyler, P.E.
Engineer III

Enclosure: Temporary detour
